AES - AG High School(2018-19) 10th - **72.1%**

AES - AG Higher Secondary School(2020-21)
12th - **74.8%**

Gujarat University - CPC Department (2021-24)
Bachelors in Cyber Security - **7.1 CGPA**

Gujarat University - CPC Department (2024-26)
Masters in Cyber Security - **Ongoing**

SKILLS

- Fundamental Networking
- OSI & TCP/ IP Model
- Microsoft Azure
- Amazon Web Services
- Vulnerability Assessment
- Penetration Testing
- Firewall
- Malware & Attack Vectors
- Hash Algorithms
- Subnetting
- Cryptography
- HTML, CSS & JS
- Operating Systems:
 - Kali
 - Parrot
 - RHEL
 - Windows 10 & 11
 - Windows Server 2019 & 2025
- Ansible
- Virtualization
- Bash Scripting

WORK EXPERIENCE

HEM INFOTECH - PURAV SHAH [10/06/2024 - 05/04/2025]

- Managed dual roles in Cybersecurity & IT Infrastructure sales and marketing campaigns.
- Conducted cybersecurity awareness initiatives through blogs, newsletters and social media (LinkedIn, Facebook, Instagram, YouTube).
- Consulted clients, analyzing security requirements and delivering tailored solutions for network, cloud, endpoint and storage.
- Built cross-domain expertise:
 - Network Security: Routers, switches, firewalls, access points
 - Cloud Security: O365, Wasabi, Veeam, Nakivo, data centers
 - Endpoint Security: DLP, antivirus
 - Storage Devices: NAS, hard drives
- Collaborated with vendors to match technical capabilities with client needs.
- Strengthened technical, communication and problem-solving skills as client-vendor liaison.

VINAY ENTERPRISES - AJAY SALVI [02/05/2025 - 17/07/2025]

- Drove client acquisition & business development in education and manufacturing sectors.
- Reached out to 40+ prospective clients, securing meetings and pitching IT & telecom solutions.
- Managed existing TATA Communications accounts, ensuring client satisfaction and service continuity.
- Built strong knowledge of TATA Data & Voice solutions: Internet Lease Line, PRI, SIP, Smart Flo, SD-WAN.
- Developed exposure to enterprise networking & security solutions:
 - Networking: Cisco & Aruba switches, Cisco routers
 - Firewalls: Checkpoint, Sophos, Palo Alto, Fortinet
 - Surveillance: Hikvision, Dahua, CP-Plus, Axis Communication
 - Wireless: Aruba access points
- Strengthened client relationship management, solution selling and negotiation skills by engaging with decision-makers.

PROJECT

- Portfolio Website using HTML, CSS & JS.
- Malware Analysis using Any.Run
- AI Agent for Apk & website code analysis.
- Pen Drive with Kali, Tails & Hiren Bootable Live OS.
- Data Recovery using Autopsy tool.
- Router, Switch & Firewall Configuration.
